Total Points _____

Using the total number of points, choose the correct class from the three groups listed below. Street Driven (also referred to as Wash & Show) is not included due to all Street Driven cars will compete against all cars within their year group no matter if they are pure stock or full custom.

- Original Class 0 pts. - 11 pts.
- Modified Class 12 pts. - 25 pts.
- Custom Class 26 pts. or more

Instructions:

1. Determine the total number of points
2. Using the total count, determine your class from Original, Modified or Custom. (Wash & Show cars are not required to fill out class sheet.)
3. On your registration form, check one of the five groups and select the proper year letter. **(If Wash & Show do not check any other group other than Wash & Show, also referred to as Street Driven)**
4. Return this sheet along with your registration sheet and a check to Eckler's.
